Club Trailer Tires and Bearings Cleaning

Need new tires – current are 20 years old. The Club will pay to replace the tires, have the Bearings Cleaned and Re-packed, and to have the trailer pressure washed.

Show Date. The club will re-evaluate our current date once we have more information on whether Westminster continues to share our week.

Look for update in August.

2024 Dog Show:

Our club does a lot for the community. And the Board approves donations based on Treasury – which is impacted most by our Agility Trials

and Dog Shows. Please consider joining one of our Show Committees. You'll learn a lot and you will do a lot of good.

Looking for:
