Jane called the meeting to order. She then thanked everyone for being here and mentioned how fortunate we are for not having been hit by the storm.

She discussed sending **dog food from Tractor Supply to the dogs in the mountains.** Small planes and trucks are loading up at the airport to take food. Majorie mentioned that they are sending food in by pack mules since the roads are washed out. Jane suggested we might get an article in *The Pilot* about the club helping out.

Jane said she called the Fayetteville Kennel Club about the **AKC Disaster Relief trailer** shared with them, but she had not heard back. She said she also called 911 non-emergency to find out how to send food.

Carol made a motion to send food to the mule rescue and asked how much food was in a pallet. **Motion seconded and passed.**

Naomi read the minutes for the September meeting. They were approved.

Nominating Committee Chair Naomi Johnson read the proposed 2025 slate of officers, and the members approved.

Jane said that anyone who would like to be a 2025 officer or board member could add their name at the November Club Meeting.

Majorie stated that we need **a quorum** for our meetings to count (which would be 13 since we have 67 members). We said we need people to join who will attend meetings and work and participate in events.

The next item of business was the Holiday Party.

Everyone agreed the last party at Valenti's was lots of fun and the food was great. Melissa (prior to the meeting) suggested that the club pay for dinner this time and have a cash bar for members to buy drinks if they want them. The Holiday Party will be on December 4 at 6:00 at Valenti's in Vass. The budget suggested for 60 members was \$2550.
